Modern ve klasik tarzın birleştiği ektetik akımından etkilenecek tasarlanan Sapphire serisi, özel renk paletiyle duylara hitap eden, çarpıcı banyolar yaratıyor. Lavabo dolaplarında kullanılan porselen tezgahlar ile banyolara yeni bir bakış açısı sunan Sapphire, leke tutmayan ve bakteri oluşumunu engelleyen malzeme yapısıyla da banyolarda hijyenik bir ortam yaratıyor.

Inspired by the eclectic trend harmonizing the modern and classic styles, Sapphire series create striking bathrooms appealing to the senses with its special color palette. Offering a new perspective to bathrooms with porcelain countertops used in washbasin cabinets, Sapphire create a hygienic environment in bathrooms with its material structure preventing the bacteria formation and anti-stain featured.

Influenzato dalla tendenza eclettica che combina stili moderni e classici, la serie Sapphire crea bagni sorprendenti che fanno appello ai sensi con la sua speciale tavolozza di colori. Offrendo una nuova prospettiva ai bagni con i piani in porcellana utilizzati nei mobili lavabo, Sapphire crea un ambiente igienico nei bagni con la sua struttura materiale che impedisce la formazione di batteri e la caratteristica anti-macchia.

Kendini özgürce ifade etmek isteyenlerin mobilyası olan Liv, Retro ruhunu banyolara taşıırken, güçlü ve karakteristik bir duruş sergiliyor. Modern çizgilerle sadeliği birleştiren Liv serisi, banyolarda minimalizm akımını da ön plana çıkarıyor. Keskin hatlarının yanı sıra, yuvarlak formuyla da dikkat çeken Liv, banyolara yenilikçi dokunuşlar yaparak, alışılmışın dışına çıkarıyor.

**Liv, the furniture of those who want to express themselves freely, displays a strong and characteristic stance while reflecting its retro spirit to bathrooms. Combining simplicity with modern lines, the Liv series highlights the minimalism trend in bathrooms. Apart from its sharp lines, Liv is drawing attention with its rounded form and makes innovative touches to bathrooms and creating a difference.**

Liv, il mobile di chi vuole esprimersi liberamente, ha una posizione forte e caratteristica mentre porta il suo spirito retrò nei bagni. Combinando semplicità e linee moderne, la serie Liv evidenzia anche la tendenza al minimalismo nei bagni. Attirando l'attenzione con la sua forma arrotondata così come le sue linee taglienti, Liv apporta tocchi innovativi ai bagni, rendendoli fuori dall'ordinario.

Post Moderno • Contrasto • Grassetto

Hayatın yorucu temposuna bir mola verip, daha sade bir yaşamı tercih eden bir akım olan Lagom felsefesinden esinlenerek tasarlanan Nova serisi, minimalist tasarımıyla sade, ferah ve dinlendirici banyoların vazgeçilmezi oluyor.

Inspired by the Lagom philosophy focusing on taking a break from the exhausting pace of life and preferring a simpler life, Nova Series has an indispensable role for simple, spacious and relaxing bathrooms with its minimalist design.

La serie Nova, ispirata alla filosofia Lagom, un movimento che si prende una pausa dal ritmo faticoso della vita e preferisce una vita più semplice, diventa indispensabile per bagni semplici, spaziosi e rilassanti con il suo design minimalista.

# ORTAK

Line Collection ailesinin tamamlayıcısı olan Ortak serisi, tüm ihtiyaçlara yönelik çözümler sunmayı amaçlayan, geniş modül yelpazesine sahip bir yan modül serisidir. Aydınlatmalı ve aydınlatmasız aynalar, etajerler, aydınlatmalı ve aydınlatmasız aynalı dolaplar, temizlik boy dolapları ve asma yan raf modüllerini içeren Ortak serisi, birbirinden farklı banyolar yaratmaya olanak sağlıyor.

Complementary element of Line Collection, Ortak series is a common side module series with wide range of modules aiming to produce solutions for all needs. Thanks to illuminated and non-illuminated mirrors, shelf washbasins, illuminated and non-illuminated mirror cabinets, cleaning tall cabinets and hanging side shelf modules, you can create different bathrooms.

Elemento complementare di Line Collection, la serie Ortak è una serie di moduli laterali con una vasta gamma di moduli che mirano a produrre soluzioni per tutte le esigenze. Grazie agli specchi illuminati e non illuminati, ai lavabi a mensola, agli armadi a specchio illuminati e non illuminati, alle colonne di pulizia e ai moduli di mensole laterali sospese, è possibile creare bagni diversi.
